

# FPAC

July 17-21, 2023  
Davis, California

## 35th International Conference on Formal Power Series & Algebraic Combinatorics

Topics include all aspects of combinatorics and their relation to other parts of mathematics, physics, computer science, chemistry and biology.

### Invited speakers

Karim Adiprasito · Einstein Institute of Mathematics

Jonah Blasiak · Drexel University

Melody Chan · Brown University

Eric Fusy · Université Gustave Eiffel

Rei Inoue · Chiba University

Mohamed Omar · Harvey Mudd College

Sibylle Schroll · Universität zu Köln

Anna Weigandt · MIT

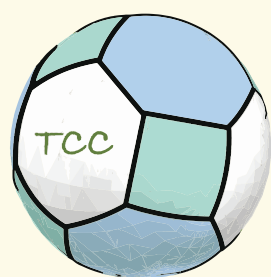

Paul Zinn-Justin · Melbourne University
